E. New Business Before Council - Mayor

Public comment **TEMPORARILY SUSPENDED – WRITTEN COMMENTS MAY BE SUBMITTED TO THE TOWN CLERK** will be taken at the beginning of each agenda item, after the subject has been announced by the Mayor and explained by staff. Any citizen, who wishes, may speak one time for five minutes on each agenda item before or after Council discussion. E.1 Discussion and /or Action [Spencer Forsberg]: April 2020 Town Finance Report

Motion E.1: Open Item for discussion and/or action		Action: Open
Moved by: Mayor Wallace	Seconded by: Councilor Butterworth	

Water: \$9,473.09
Sewer: \$2,238.14
Landfill: -\$605.72

Mayor Wallace: You can see the grants have their own accounts. Taxes are over the expected which is good considering what is happening right now. Public works shows higher than their budgets, but that is understandable with the two large leaks we're had recently.

The ACO budget is over because it was not taken into account the second part time ACO. So we still need to watch what we're spending.

E.2 Discussion and /or Action [Chief Thies]: Clarification of Police radio purchase through Southeastern Arizona Communications "SEACOM" for mobile car radios; 8 each Motorola and Durham.

Motion E.2: Open item for discussion and/or action	Action: Open
Moved by: Mayor Wallace	Seconded by: Councilor Hirshberg

Chief Thies: I wanted to add this to clear anything up. There's two quotes both of them are around \$20,000. The goal is to have SEACOM buy for the radios and we pay them back yearly or get a legacy grant and get them purchased that way. It has become a bit of an issue and definitely a potential officer safety issue. We received the portable radios from SEACOM when we joined and it is on their channel. If the officer's portable radio doesn't work or they are in their cars our HCPD old radios don't talk to SEACOM.

Mayor ProTem Johnson: I have a question, do we need action tonight since we could see about getting the grant.

Chief Thies: No action needs to be taken tonight I just wanted to keep council informed.

Motion E.2: no action taken	Action:
Moved by:	Seconded by:

E.3 Discussion and /or Action [Chief Thies]: Council consideration of police handguns being converted from .40 caliber Glocks to 9 mm Glocks, and to sell the Department's shotguns.

Motion E.3: Open item for discussion and/or action	Action: Open
Moved by: Mayor Wallace	Seconded by: Councilor Hirshberg

Chief Thies: I'm going to hand it over to Corporal Arnett.

Corporal Arnett: I've been working at length with Chief Thies on ways to change our current duty weapons from 40 caliber Glock 22's to nine millimeters Glock 17 and 9 millimeter Smith & Wesson. The benefits of this change includes cheaper ammunition and less recoil; giving our officers better accuracy also reducing normal wear and tear on the weapons. Also, surrounding agencies are transitioning to nine millimeters also including CCSO, Sierra Vista PD and BPS. Meaning the same ammunition across the board if we were to assist other agencies with a call and need extra ammunition. Reason for the Smith & Wesson, they have a smaller grip, this will assist officers with smaller hands to better handle the weapon. To accomplish the above, I believe it is in the best interest that the department sells our current Mossberg 12-gauge shotguns and a .556 DPMS AR-15 . By selling the shotguns it will remove one caliber of ammunition that the department has to keep on hand. I've been speaking with a local gun shop they have quoted the department 350 to 450 dollars per shotgun depending on the current condition and amount of use. The shotguns would be put on consignment and the paperwork would be handled by them. The money would then be turned into new nine millimeters. The approximate cost of the new duty pistols would be \$408 for each of the Glocks and we would need 6 of them to start and \$459 for each of the Smith and Wesson which we would get two. If we get the maximum value for each shotgun, it would almost cover the cost of the six Glocks. We could then put the Glock 22 on consignment with a gun store and use the money to purchase the Smith & Wesson.

Mayor Wallace: I understand the reason we're looking at doing this just for the standardization across all the law enforcement agencies within Cochise County. I don't have any concerns my only concern is the money piece. Tonight they're asking for the go ahead to start the process.

Mayor ProTem Johnson: How many shot guns do we have to sell?

Chief Thies: We would sell six. Quick note any over that we would incur I'm prepared to pay for that without utilizing city funds. We could use the RICO funds. The goal is to do this without adding expense.

Councillor Banks: Can the shotguns be put up for consignment immediately?

Chief Thies: Yes.

Mayor Wallace: I don't have any concerns moving forward.

Councillor Butterworth: To my mind it would make it easier for training for the officers to train or cross train with any other departments.

Motion E.3:		Action: Approved
Moved by: Mayor Wallace	Seconded by: Councillor Butterworth	

E.4. Moved to the end of the meeting

E.5 Discussion and/or Action [Town Manager Cushman]: Approval of Resolution 2020-04 Designating Ha Vu as Chief Fiscal Officer for financial reporting requirements to the State on behalf of the Town.

Motion E.5: Open item for discussion and/or action		Action: Open
Moved by: Mayor Wallace	Seconded by: Councilor Trate	

Mayor Wallace: It's all for finance.

Motion E.5:		Action: Approved
Moved by: Mayor Wallace	Seconded by: Councilor Hirshberg	

E.6 Discussion and/or Action [Town Manager Cushman]: Approval of Resolution 2020-05 authorizing the submission of grant applications and other reimbursement requests associated with the COVID-19 pandemic and designating the Town Manager as the Town's agent for such applications and requests.

Motion E.6: Open item for discussion and/or action		Action: Open
Moved by: Mayor Wallace	Seconded by: Councilor Butterworth	

Mayor Wallace: We need this as the money comes down we can identify anything COVID related and can submit for reimbursement.

Manager Cushman: I just want to provide a little clarification. All grants are funneled through FEMA and this is what the resolution allows us to access it.

Motion E.6:		Action: Approved
Moved by: Mayor Wallace	Seconded by: Councilor Hirshberg	

E.7 Discussion and/or Action [Town Manager Cushman]: Approval of the hiring of a Landfill Director.

Motion E.7: Open Item for discussion and/or action		Action: Open
Moved by: Mayor Wallace	Seconded by: Mayor ProTem Johnson	

Mayor Wallace: I asked for Mr. Cushman to put this on here. It will ultimately up to Mr. Cushman to hire someone for us.

Manager Cushman: We already have a position description put together, it's got some pretty high standards. I'll put this out and it will be open until filled.

Motion E.7:		Action: Approved
Moved by: Mayor Wallace	Seconded by: Mayor ProTem Johnson	

E.8 Discussion and/or Action [Town Manager Cushman]: Consideration of the request of Waste Management, the Town's trash removal service provider, for a contract modification to use a different metric for calculating the annual service rate increase; and direction to town staff to begin the public notice process regarding the annual trash service rate increase.

Motion E.8: Open Item for discussion and/or action		Action: Open
Moved by: Mayor Wallace	Seconded by: Mayor ProTem Johnson	

Mayor Wallace: We originally did the RFP for someone to provide trash service to the town there was a contract where the annual rate increase couldn't be more than the CPI. Waste Management wants to us a different metric given the current situation.

Manager Cushman: We received a letter saying that they would like to change it from the CPI to this other metric which is like a solid waste index. In the packet they sent we received the CPI but there was no data to compare it with the CPI. I requested more information and got more CPI stuff. My recommendation is not to change the contract at this point. I do recommend that we do raise the rates with the CPI and we start on that process.

Mayor ProTem Johnson: If we don't approve them to raise it can they stop doing service for us?

Manager Cushman: No they are bound by the contract.

Councillor Trate: How long is the contract?

Mayor Wallace: Five years. So my motion is going to be to deny the request to modify the contract using the new metric but approve the increase that is already in the contract.

Motion E.8: approve contract increase, deny modification		Action: Approved
Moved by: Mayor Wallace	Seconded by: Mayor ProTem Johnson	

E.4 Discussion and /or Action [Mayor Wallace]: The Council might vote to go into executive [closed] session, pursuant to A.R.S. 38-431.03 (A)(1), to discuss employment-related matters with the new Town Manager, which might include his goals and priorities as well as the Council's expectations.

Motion E.4: Open item for discussion and/or action		Action: Open
Moved by: Mayor Wallace	Seconded by: Mayor ProTem Johnson	

Mayor Wallace: We as a council need to know where we want the town to go and what direction we have for the manager. The Council has to task him during council meetings we cannot individually task him. Think about things you want him to do and we can bring that to the next council meeting.

Manager Cushman: one of the most important things between council and manager relationships is dialogue. I need feedback to make sure we are providing the services that the people deserve. I would like to give you the opportunity to sit down and talk to me so that I can better understand the details of the Town. I've included a manager evaluation handbook from the international City Managers Association. I reach out to different associations frequently to ask how we should do this and I also look at other communities. I think people are already noticing that I'm a bit different than other managers. One of the things I like to do coming in is to have a good assessment. I also like to do a high-performance organizational self-assessment once a year; this measures our progress. Sometimes things may change but this helps us see where we're at and have a good baseline understand of the

stat of the community and the Town staff. The next thing I want to do is the 360 degree evaluations, I have two town manager performance evaluations. The first is going to go to the directors and they'll evaluate me and then we'll sit down together and look through the data. This will give me good feedback about my leadership style. The second one is a little bit longer and this one will go to council, I'll probably pass this along to some of my peers as well. I would also like to be evaluated every six months instead of yearly. I would also like to have something once a quarter to get things from your perspective. I'm really impressed with the staff since I've been here, like public works, the Community services, which include the library and the police department. Huachuca City actually has the lowest crime rate in the county. I do see some emerging issues which we need to start looking at, the contract with Whetstone Fire, Legislative Calendar, Home Rule, Tax reporting.

Mayor Wallace: The Council, think about the things you want Mr. Cushman to start looking at.

Mayor ProTem Johnson: When will you be starting on the budget?

Manager Cushman: I've started, I've started training staff on how to prioritize our operations, how we measure our operations because each department is going to be different. I still need to make a deadline and we are going into this with the expectation of a 25% reduction in revenue, which after talking to some of my colleagues and peers seems to be a pretty common assessment. We are moving into uncharted territory. If we do the 25% and it happens then we'll be able to do our operations and if we have any surplus then it can go into a contingency or reserve fund so if those sort of situations comes up then we have it. If it gets worse then we may have to re-look at the budget again. A budget is an educated disciplined guess.

Mayor Wallace: The 25% is not because staff is doing something wrong it is because the current situation.

F. Manager's Report: Manager Cushman: Reports will go directly to the council.

G. Items to be placed on future agendas: Upper San Pedro Partnership Technical Committee had a Zoom meeting where we could actually see beavers on the San Pedro River. **Mayor ProTem Johnson:** Last Friday's food bank was busy. CoolFM did a live stream of the event and over a hundred cars were lined up down the street. It was really nice knowing we can help these people.

Town of Huachuca City

The Sunset City

500 N Gonzales Blvd • Huachuca City, Arizona 85616

Phone: (520) 456-1354 • TDD: (520) 456-1353 • Fax: (520) 456-2230

NOTICE OF PUBLIC HEARING

The Town of Huachuca City is expected to receive approximately \$480,000 in FY 2020 federal CDBG funds from the Arizona Department of Housing Regional Account ["RA"]. The Town also may apply for up to \$300,000.00 in CDBG funds from the State Special Projects ["SSP"] Account. CDBG funds must be used to benefit low-to-moderate-income persons and areas, alleviate slum and blight or address urgent need. Based upon citizen input as well as local and state planning objectives, a potential project will be selected to be forwarded to the State of Arizona with a request for funding.

A public hearing will be held at the regular City Council meeting on May 14, 2020, at 7:00 pm, at 500 N. Gonzales Blvd. Huachuca City, Arizona, to receive public comment and discuss the potential projects. In the event that social distancing precautions are still in effect at the time of the hearing due to the COVID-19 pandemic, the Council will conduct the public hearing remotely. Further information on whether the hearing will be conducted remotely, including instructions on how to participate and address the Council, will be available to the public on the Town's website: <https://huachucacityaz.gov/> at least 24 hours before the start of the meeting. It is expected that the City Council will select the final project (only one is allowed) at this hearing and adopt appropriate resolutions. The potential CDBG projects are named and described as follows:

1. Senior Center kitchen
2. Water system
3. Drainage
4. Road improvements
5. Community facility improvements
6. Youth facility
7. Fire hydrants
8. Temporary transitional housing
9. Park improvements
10. Make pool year round
11. Solar cover for pool
12. Walking paths
13. Outdoor exercise circuit
14. Green house
15. Facility improvement of energy/water efficiency
16. Head start

17. Boys/girls club

18. House rehab

RESOLUTION NO. 2020-06

A RESOLUTION OF THE MAYOR AND COUNCIL OF THE TOWN OF HUACHUCA CITY, ARIZONA, AUTHORIZING THE TOWN TO ENTER INTO AN AMENDMENT TO THE INTERGOVERNMENTAL AGREEMENT WITH THE ARIZONA DEPARTMENT OF TRANSPORTATION [“ADOT”] TO FUND INSTALLATION OF AN EMERGENCY PRE-EMPTION SIGNAL.

WHEREAS, the Town desires to utilize Highway User Revenue Funds [“HURF”] Exchange funding for installation of an emergency pre-emption signal on Highway 90 for emergency access from School Drive [hereinafter referred to as the “Project”]; and

WHEREAS, all phases of the Project are programmed in the approved, fiscally-constrained portion of the applicable Transportation Improvement Program (TIP) as “HURF Exchange;” and

WHEREAS, ADOT is empowered to enter into HURF Exchange funding agreements with qualifying municipalities, pursuant to A.R.S. § 28-334 and § 28-401; and

WHEREAS, ADOT and the Town may contract for services and enter into agreements with one another for joint or cooperative action, pursuant to A.R.S. section 11-952; and

WHEREAS, ADOT and the Town previously entered into an Intergovernmental Agreement for funding of the Project; and

WHEREAS, attached hereto as Exhibit A and incorporated herein by this reference, is an Amendment to the Intergovernmental Agreement which revises the anticipated costs and schedule for funding of the Project; and

WHEREAS, the Mayor and Council have determined that approval of the Amendment to the Intergovernmental Agreement is in the best interest of the Town and its residents.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Town of Huachuca City, Arizona, as follows:

Section 1. The Town is hereby authorized to enter into the Amendment to the Intergovernmental Agreement between the Town of Huachuca City and the State of Arizona, through its Department of Transportation, for funding and implementation of the Project, said Amendment being attached hereto as Exhibit AA.@

Section 2. The Mayor of the Town of Huachuca City is hereby authorized and directed to execute said Amendment on behalf of the Town.

Section 3. The Town's officers and staff are hereby authorized to take all steps necessary and proper to implement the Amendment and give it effect.

PASSED AND ADOPTED BY THE MAYOR AND TOWN COUNCIL OF THE TOWN OF HUACHUCA CITY, COCHISE COUNTY, ARIZONA, THIS 14th DAY OF May, 2020.

ATTORNEY APPROVAL FORM FOR THE TOWN OF HUACHUCA CITY

I have reviewed the above referenced Amendment No. One to the Original Agreement between the State of Arizona, acting by and through its DEPARTMENT OF TRANSPORTATION, and the TOWN OF HUACHUCA CITY, an agreement among public agencies which, has been reviewed pursuant to Arizona Revised Statutes §§ 11-951 through 11-954 and declare this Amendment No. One to be in proper form and within the powers and authority granted to the Town under the laws of the State of Arizona.

No opinion is expressed as to the authority of the State to enter into this Amendment No. One.

Town Attorney

Date

The purpose of this memorandum is to inform Town Council on the policy options for fire and emergency services within the Town of Huachuca City. On 31 December 2020, the existing contract with the Whetstone Fire District expires and Huachuca City will be without fire and emergency services. The Town currently allocates \$410,000 per year to provide 24-hour presence within city limits. The firefighters are stationed at the existing fire station, which is provided by the Town. Whetstone Fire District deploys vehicles and equipment provided by the Town as operational needs dictate.

While the quality of the fire services is exceptional, the Town does not have adequate oversight of fire and emergency services in accordance with the IGA and fiduciary responsibilities inherent in governance bodies. For example, the Town does not know how the funds are expended, how vehicles and equipment are maintained or inventoried, when or how often Town vehicles depart city limits, nor quantity and type of service calls are within City Limits. Normally, this information is provided in a report provided by the Fire Chief to the governing body—in this case, the Town. The incumbent Fire Chief provides a report to the governing body of the Whetstone Fire District, his governance body. This report has all matters consolidated from across the District including the city limits of the Town which is added to the service area. While it is adequate for the oversight responsibilities of the governance board for the Fire District, it is insufficient for the oversight responsibilities for the Town.

Option 1: Reinstate the Huachuca City Fire Department. The annual operating expenses of a small fire department approaches \$1,500,000 per year, of which personnel costs are the largest liability. To do this, the Town would need to obligate \$410,000 every year for the next 20 years and increase with the CPI; issue a 20-year bond for \$12,000,000 for vehicles and equipment; and advocate a Fire District with a property tax levy of \$256,000. The Town would need to recover all vehicles and equipment provided to the Fire District. The positives of this option are: a fire department that is perhaps more responsive to the oversight needs of the governing body, a fire department more connected to the community, and access to \$50,000 in FDAT funds. The negatives of this option are: the issuance of a bond for a fire department will prevent the issuance of a bond for another infrastructure project since collateral will be obligated; the issuance of a bond and the establishment of a fire district will both require consent of a majority of the voters and property owners within the Town; the challenge of hiring qualified personnel; and the lag time between the issuance of the bond, the establishment of the new fire district, and the receipt of the property tax levy will exceed the terms of the existing contract and may leave the Town without fire and emergency services for two or three years. Furthermore, the Town would lose the ISO rating which is very important to lower insurance costs and economic development and gain a significant PSPRS liability.

Option 2: Contract With Another Fire and Emergency Services Provider. This option would have a different fire district or agency providing fire and emergency services. While the cost of the contract would be \$410,000, the Town could explore the feasibility of a lower amount, perhaps \$350,000. The Town would need to recover all vehicles and equipment provided to

the Fire District. The positives of this option are fire services that are perhaps more responsive to the oversight needs of the governing body. The negatives are: low number of potential providers since the Whetstone Fire District has already indicated that it will not bid; the lag time for the new service provider to learn the operational considerations within the town, and the Town would lose the ISO rating which is very important to lower insurance costs and economic development; and the Town would most likely be burdened with additional PSPRS liability. There is no guarantee that anyone would bid and the Town risks not having any fire or emergency services in this option. For example, Fry Fire District previous bid of \$550,000 did not include 24/7 service. Furthermore, with the limited number of providers, the Town would not be in a favorable negotiating position.

Option 3: Renegotiate the Existing Contract. This option would be similar to the *status quo* but with provisions in the new contract that address the oversight concerns of Council. Some of these provisions could include:

- 10-year contract term with the option for two 10-year extensions
- Contract contingent that the process for the annexation of Huachuca City is initiated by the Fire District within 2 years and is completed within 10 years;
- provisions for mandatory reporting of specific information and performance metrics;
- annual assessment and performance evaluations;
- active participation and involvement in public events in Huachuca City by the Whetstone Fire District;
- Fire Marshal services that include annual inspection of commercial buildings, businesses, and vendors and inspection of unsafe commercial and residential properties;
- representation on the Fire District Board by a resident of Huachuca City;
- Support by the Town for the annexation Huachuca City into the Fire District;
- stricter compliance and oversight of contractual obligations by both parties;
- Town assessment of impact and development fees to offset the training, manning, and equipping of fire and emergency services;
- Support by the Town for the designation of the Fire District as the primary transport agency for the CON in Huachuca City;
- At cost Bulk Fuel services provided by the Town to the Fire District.
- Public Information requests are directed to the Fire District

While the cost of the contract would be \$410,000, the Town could explore the feasibility of a lower amount, perhaps \$350,000 but would still need to be validated. The positives of this option are: achievement of the mutual interests and strategic objectives of both the Town and the Fire District; the benefits for both organizations derived from maintaining the *status quo*; stability of having 3 full-time firefighters; fire and emergency services provided by a known, proficient, and very effective Fire District, and the Town keeps the ISO rating.

Recommendation: Option 3: Renegotiate the Existing Contract.
